### A FRIEND

A friend is someone who,  
when trouble comes,  
doesn't run away to hide,  
But who is willing to fight for you,  
standing by your side.

A friend is someone who  
will stand shame, pain, and sorrow,  
that is here today  
and will come tomorrow.

A friend is someone who  
will betray you never,  
who will stay your friend,  
forever and ever.

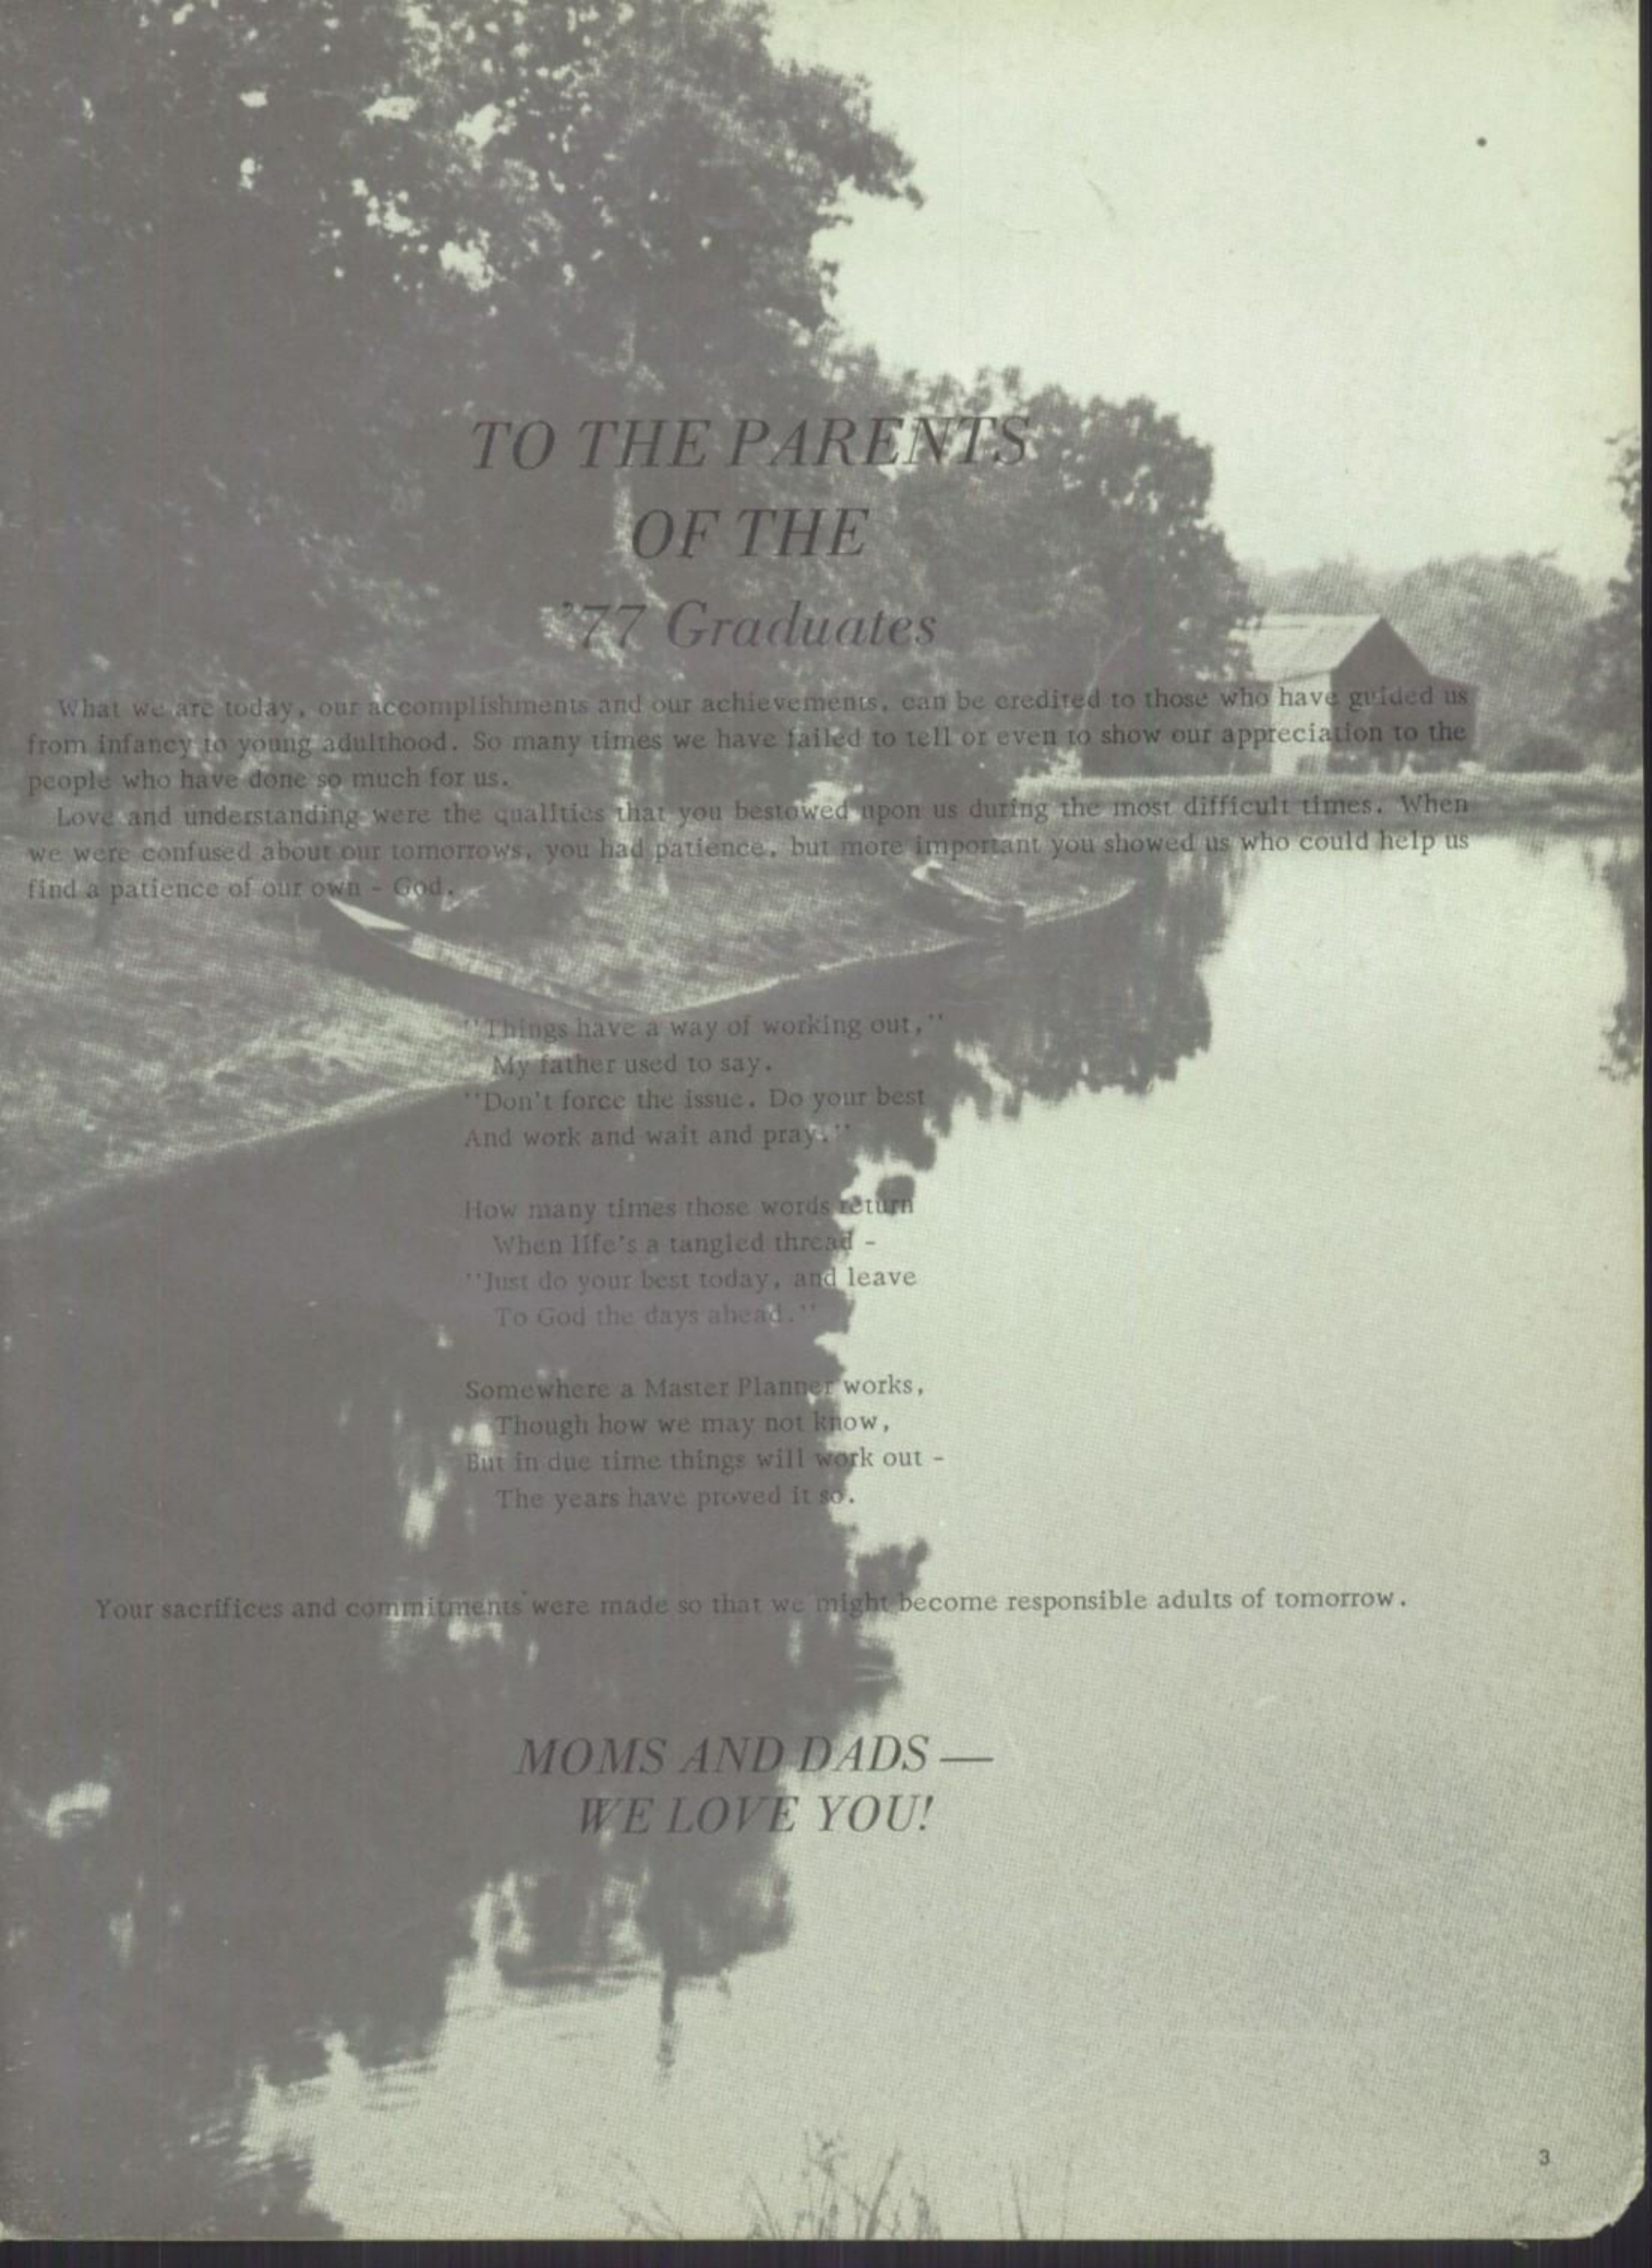

And you, Mr. Smith, are Our friend.

In the memories of the Class of '77  
we saw Mr. Smith a friend to all,  
someone who helped us and stood  
beside us with encouragement.

It is with our deepest appreciation  
that we dedicate to you, Mr. Smith,  
the '77 BLUE DEVIL

Mr. Donald Smith

## *TO THE PARENTS OF THE '77 Graduates*

What we are today, our accomplishments and our achievements, can be credited to those who have guided us from infancy to young adulthood. So many times we have failed to tell or even to show our appreciation to the people who have done so much for us.

Love and understanding were the qualities that you bestowed upon us during the most difficult times. When we were confused about our tomorrows, you had patience, but more important you showed us who could help us find a patience of our own - God.

"Things have a way of working out,"  
My father used to say.  
"Don't force the issue. Do your best  
And work and wait and pray."

How many times those words return  
When life's a tangled thread -  
"Just do your best today, and leave  
To God the days ahead."

Somewhere a Master Planner works,  
Though how we may not know,  
But in due time things will work out -  
The years have proved it so.

Your sacrifices and commitments were made so that we might become responsible adults of tomorrow.

## *MOMS AND DADS — WE LOVE YOU!*

TO THE CLASS OF '77'

May I congratulate you on reaching a milestone in your life. Let this be the beginning, and may all of you succeed in life.

In the following pages we have tried to capture some of the activities and memories that have been shared here at L.H.S.

To the underclassmen we say enjoy your high school days here at Lowes and you will remember it always.

We have really enjoyed working on the '77 BLUE DEVIL. We have tried to make it an annual that you will appreciate and want to cherish always. We wish to thank the annual staff, teachers, and everyone for their help and cooperation in making this annual possible.

To the '77 graduates we wish to say we hope you will be proud of this and someday you will look back and remember

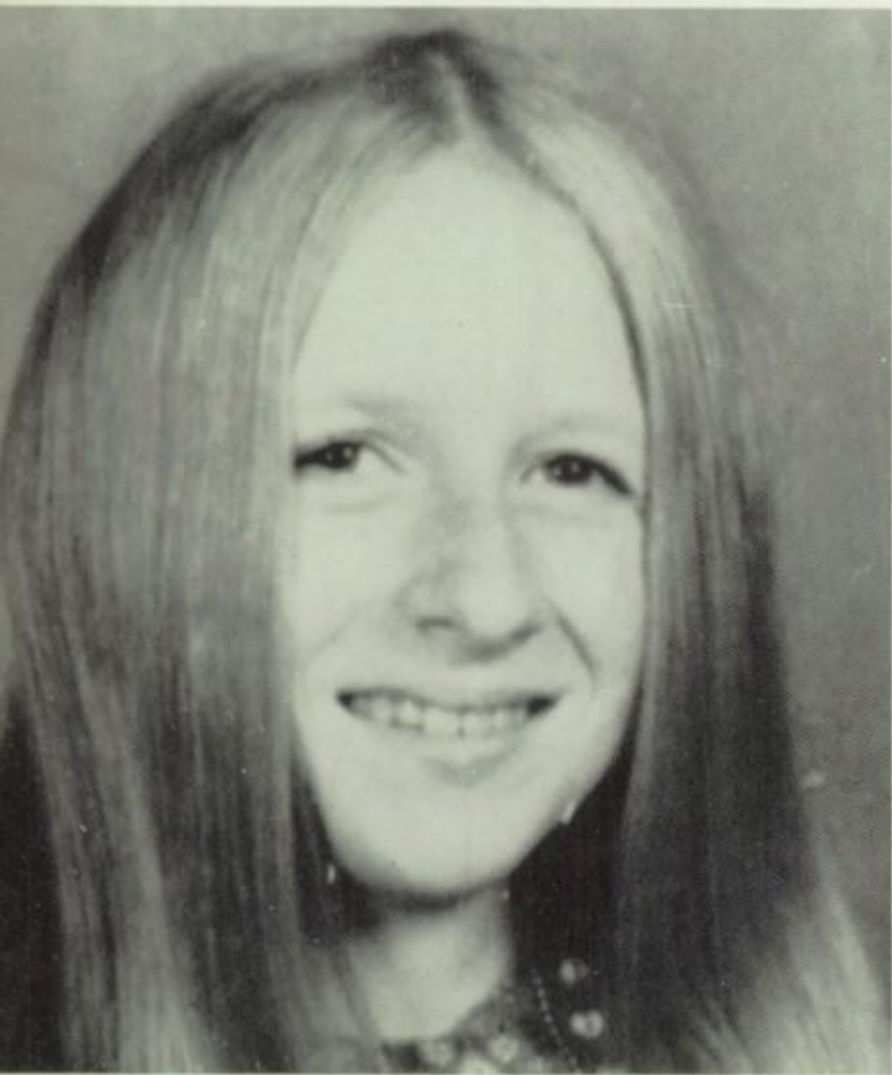

THE WAY WE WERE.

KARON VAUGHN

KARON

Good-bye my friend,  
It's hard to die,

With happy memories,  
And a crying eye,

With all your heart,  
You will to me,

A best friend if there,  
There could be,

Just one more thing,  
I'd like to say,

Always remember, I love you,  
Good-bye.

Denise Palmer

In  
Memory  
Of

WANDA BYERS

WANDA

Our mighty God is over all  
He knows our every need  
To Wanda, he made an emergency call  
Took her hand and now he leads.

From this world of sin and strife  
God mercifully took her away.  
To give her a much better life  
And a brighter, happier day.

Each of us will suffer much  
For such a tragic loss  
Now we long to hold and touch  
No matter what the cost.

Who's to say, if she'd stayed  
She'd be happy forever more  
Who knows the price she would've paid  
If she hadn't walked through that door.

To our Friend,  
Good-bye.
